 - As a rule, the 12-year educational curriculum (elementary, middle, and high school study) follows the standard of the Korean school system.
 - The first through sixth years of an overseas curriculum are recognized as elementary school, the seventh through ninth as middle school, and tenth through twelfth (thirteenth) as high school [as per Article 98-1-9 of the Enforcement Decree for the Elementary and (Higher) secondary Education Act]
 - Study periods resulting from overlapping programs during the same academic year (semester) will not be recognized.
 - For those who have completed all elementary and (Higher) secondary schooling in one country: Last three years are recognized as high school regardless of school system
 - For those who have completed their elementary and (Higher) secondary school in two or more countries:

System	Recognition and Conditions	Note(s)
10 or fewer years	Not recognized	High school completion will be recognized if the applicant has completed a period of study at a university in the country in question corresponding to the deficit in curriculum years owing to the school system.
11 years	If the final three years of (Higher) secondary school are completed in the country in question, it will be recognized as high school.	
12 years	(Applicants must have completed 11 or more years of elementary and (Higher) secondary school in two or more countries.)

 - When an applicant suffers a deficit because he or she has skipped a grade academically due to laws regarding educational relationships in the country in question (skipping of grades is not recognized for transfers) or skipped a grade or graduated early from a 12-year elementary, middle, and high school curriculum as permitted by an early graduation system
- Decisions regarding applicant eligibility will take into consideration academic year and semester systems in his or her country.
- Applicants with multiple citizenship according to Article 11-2 of the Nationality Act (legal status of multiple citizenship holders, etc.) will be treated as citizens of the Republic of Korea and will not be recognized as purely international applicants.

VI. Additional Notes for applicants

● Applications and Registration

- Students admitted to multiple universities may only register at one. Any student found registered at multiple universities simultaneously will have admission to all universities revoked.
- Students admitted to HNU must pay tuition to the designated bank within the designated registration period. Those who fail to pay within the deadline will be regarded as having forfeited registration.

● Document Submission

- As a rule, the applicant him- or herself must submit documents in person during the submission period. In the event that another party (parent, relative, or acquaintance) must submit on his or her behalf, that individual must be sufficiently acquainted with the applicant's academic history and overseas residence, sojourn, and enrollment situation to answer the receiving officer's questions.
- In the event that different names are given for the same applicant on documents submitted, additional certification by a court in the country in question must be provided to affirm that it is the same individual.

- For documents written in languages other than Korean or English, an original copy must be submitted along with a notarized translation into Korean or English.
- Applicants may be asked to provide additional documents as needed to verify eligibility.
- All documents submitted at the time of application must be originals. In the event that a copy must be submitted, it must be stamped as “compared with original” by the issuing institution or the HNU admission application reception office.
- Applicant approval and admission may be revoked if any information on the documents is judged to be false.
- An accurate telephone number and address must be provided on the application form to enable contact with the application during the screening period. The HNU Admissions Management Team must be notified promptly of any changes to that contact information. The applicant bears full responsibility for any difficulties that arise due to lack of clarity in his or her contact information.
- Once submitted, an admission application cannot be withdrawn or changed.

● Screening

- Applicants will not be notified separately of their application's approval. Applicants must verify their own acceptance status by visiting the HNU admission home page at <http://ibsi.hnu.kr>.
- In the event that screening is not possible due to missing documents or failure to comply with the designated procedures and screening, the application will be disqualified.
- Failure to cooperate fully with academy history requests will be regarded as indicative of a problem with said history, and acceptance and admission may be revoked even after the fact.
- Scores and assessment details from the admissions screening will not be made available.
- The student's admission permit will be revoked after successfully passing the screening if the relevant institution refuses to issue a visa or a visa cannot otherwise be issued for entry into Korea.
